

FLC SENIORS CAMERA CLUB REOPENING PLAN FOR 2020/21 SEASON

Saturday Instruction Sessions

- There will be no in-person classes. These will be replaced by Zoom presentations on two, occasionally three, Saturdays each month.
- The Screening Checklist will be emailed to all club members and will also be available to view on the Camera Club Facebook page.
- A maximum of 9 Saturday Sessions Committee members will meet in the Seniors' Lounge to prepare the presentations. (9 is the maximum number allowed in the Seniors' Lounge).
- Before attending they must read the Screening Checklist, and will not be permitted to attend if they have answered Yes to any of the questions.
- Once everyone has arrived, the Committee Chairman will read out the whole of the Screening Checklist and make a note of anyone who answers Yes to any question, and will not permit them to stay. At each session the Chairman will make a list of all attendees, plus the date, be retained for two weeks.
- Each attendee will sit at his/her individual table, distanced from each other by two metres. The tables and chairs will be disinfected by the Committee Chairman with an approved disinfectant before and after use.
- Any audio visual equipment which will be touched during the session will be similarly disinfected before and after use.
- Attendees must each bring a mask and sanitizer. As per the City of Calgary Bylaw, masks must be worn from the time members of the group enter Trico to the time they leave the premises. The audio visual equipment must be wiped with sanitizer after each person has touched it.
- The Committee Chairman will be responsible for ensuring that protocols are being followed, and will dismiss from the session anyone who refuses to comply.
- No refreshments will be served. Attendees may bring their own personal beverage if they so wish.
- If anyone arrives late, the Committee Chairman must read out the Screening Checklist to them. If answers to all the questions are No, their name will be added to the list of attendees and they will be allowed to stay. Should they answer Yes to any question, this must be noted on the list and they must be told to leave.

PFTs (Photo Field Trips, i.e. walks)

- These take place twice, occasionally three times, each week and last between 1.5 and 2 hours.
- Venues, which will be local, will be carefully selected. Preferred locations will have wide pathways and the expectation that they will not attract crowds, especially during good weather.
- Venues will be posted as Events on the Camera Club Facebook page, and those wishing to attend must sign up so that an accurate number is known ahead of time.

- There must be no carpooling, except for cohorts (a cohort is a small group of people who interact with each other exclusively) or those who live in the same household).
- The Screening Checklist will be emailed to all club members and will also be available to view on the Camera Club Facebook page.
- Prospective attendees must read the Screening Checklist before coming out, and anyone who answers Yes to any question must not attend. Upon arrival, the PFT leader for the walk will read out the Screening Checklist and make a note of anyone who answers Yes to any question, and will not permit them to stay. The leader will make a list of all attendees, plus the date, to be retained for two weeks.
- Instructions re the walk will be announced upon arrival, with attendees standing minimum 2 metres from each other.
- Each attendee must bring hand sanitizer and a mask, to be worn if keeping distant from members of the public becomes a challenge.
- Masks should also be worn by both parties if help is needed with a camera function and requires closer contact, provided both parties are comfortable with this.
- Sharing of camera equipment, e.g. filters, is discouraged and should be kept to a minimum. Members must wear a mask and use hand sanitizer in these situations.
- If a medical emergency should occur, helpers must wear masks and use hand sanitizer.
- There will be two PFT leaders on each walk. The maximum number in a group will be ten, so if attendees number more than ten, they will be divided between the two leaders. In the unlikely event that more than 20 members attend, the PFT leader will nominate someone present to lead a third group.
- Groups will head out in different directions or, if this is not possible, second and subsequent groups will delay their start.
- The PFT will officially end at the appointed time when the walk is done. No arrangement will be made to meet for coffee or lunch.
- Each PFT leader (in the case of more than one group) will be responsible for ensuring that protocols are being followed, and will dismiss anyone who refuses to comply.
- If anyone arrives late, the PFT leader must read out the Screening Checklist to them. If answers to all the questions are No, their name will be added to the list of attendees and they will be allowed to stay. Should they answer Yes to any question, this must be noted on the list and they must be told to leave.

Excursions

- There will be no out of town excursions.
