

## 2021 SEASON SCHEDULE FOR LEVEL 1 – FRIDAYS

### General description of the rides

Rides are under 30 km, scenic, many new, no hills or minor ones. Five out-of-town trips. Slightly brisker pace for the more experienced Level 1 riders. Breaks, no one left behind. Start time 10:00 am. Arrive at 9:40 am for bike preparation, a quick safety drill, and meeting people. Bring your lunch and water.

### Posting, sign-up methods, other

I will lead the rides, post them two weeks in advance, allow sign-ups one week ahead on a Friday, at 8 am. Bring your cell phone with mapping software for route tracking if you wish to lead one or more of the rides next year or simply out of interest.

See you on the rides!
