

## 2020 Golf Season Announcement

We are pleased to report the province and city have opened golf courses for play.

As we begin to open the FLC Seniors Golf Activity block bookings, it is important that each golf activity member make an informed decision regarding their participation in golf. To this end please review the information provided by the Alberta government by clicking on the links below:

We have been in contact with all our golf courses and will be opening our block bookings for **HeatherGlen, Douglasdale** and **McKenzie Meadows** in accordance with dates noted in our 2020 golf handout. At this time the city has suspended block bookings for all city courses. Golf Canada will begin when its clubhouse & washroom facilities are open to the public.

### 2020 TOURNAMENTS/WINDUP:

- With emphasis for the safety of our members and adherence to provincial/municipal guidelines for gatherings, we have suspended our Golf Tournament and Golf Windup Events at this time.

If you are interested to play and have not signed up for your 2020 club and/or golf activity membership please follow the link below to do so. Paying online by credit card for your golf activity membership immediately adds you to our golf membership database.

We are most concerned that our members be able to play in a safe and responsible manner. To that end we have prepared a "Park and Play" practices document for the courses currently available for play. Please follow the link below to review this document.

As Seniors many of us experience health conditions which may put us at greater risk if we are exposed to the Covid 19 virus. Please ensure you are comfortable with the potential risk. At the same time, please understand if you do not follow the "Park and Play" practices you are putting yourself and others at risk. The municipality, golf course and the club may need to take action to protect other participants.

Each golf course will have payment arrangements specific to it. We have included in the Covid 19 document our understanding of payment process for each course. Please click on the link below to review these arrangements as of May 11, 2020.

We are all excited for the opportunity to get out and play golf. This "new normal" places additional responsibilities on each of us but we know we can make the necessary adjustments to ensure our enjoyment of the game.
