**\*NEW** Golf members intending to play either Maple Ridge or Lakeview, this season, BUT NOT BOTH (City's rule), are required to confirm their intention to play one of these courses in the FLC block booking with the applicable Course Director, by emailing:

Wayne Mitchell [golf-mapleridge@flcseniors.ca](mailto:golf-mapleridge@flcseniors.ca) or Dawn Ruhl [golf-lakeview@flcseniors.ca](mailto:golf-lakeview@flcseniors.ca)

and confirm their [City Golf Profile](#) telephone number matches the telephone number provided to the Course Director listed in the Club membership database. It is a City of Calgary requirement that we provide a list of our potential Maple Ridge and Lakeview players to them prior to the start of the season, and thereafter on a weekly basis, and the City has advised that any members not included in those lists will not be allowed to play within the FLC block booking. The City will only allow golfers to play in ONE league but that does not restrict you from booking your own tee time or playing in any of the other FLC block bookings.

## Golf Registration Overview – Weekly Registration Required

Registration for dates of play can be made two weeks in advance.

Go to [www.flcseniors.ca](http://www.flcseniors.ca) and under **Activities** select **Golf** which takes you to the Golf Home Page.

- Press the appropriate **Golf Course** link, the date you want to play, click on **Register** and then enter your new/current membership number and press Search. **Each player must register individually.**
- When your first name and last name initial come up, choose Cart or Walk then **press Register**. Ensure you complete these steps for each player you are signing up. **You will receive a confirming email that you have registered. DO NOT register for more than ONE course for the same date.**

## Cancellation

- Prior to registration cutoff you may cancel yourself by following the same steps you did to register and then scrolling down and clicking on **Cancel Registration**.
- Cancelling after the registration cutoff or once the schedule is posted **must be done** by contacting the Course Director; **NOT** the golf course unless it is the day of play. Course Directors begin preparing the schedules immediately after cutoff so waiting to see if you were scheduled before cancelling or cancelling the day of play may result in a one week penalty of not being scheduled the next time you register.
- **No shows** are also subject to at minimum a one week penalty.

## Scheduled Tee Times

- Golf schedules, once posted, can be viewed by clicking on the Register link beside the golf course name on the Golf Web Page the day after the cutoff time. To see the tee times and players click on the Schedule. Cutoff times are different for each course. We do not send you an email advising you of your tee time but if you are scheduled to play Maple Ridge or Lakeview the City will send you a reminder.
- We request that you be at the golf course 20 minutes before your scheduled tee time and on the tee box when called to play. **Late arrivals may lose their starting position.**

## Slow Play

- Course Marshalls monitor the pace of play within block bookings so please do your best to practice good course etiquette by keeping up to the group ahead of you.
