Qigong Club Guidelines:

- You must have a valid FLC Seniors Club membership to participate in Qigong.
- Make-up classes: If you signed up for a class, you signed up for the whole session. Missed classes can be made up ONLY during the session for which you paid.
- Be aware of the maximum number of participants per room: Seniors Lounge = 23, Studio =15, Multipurpose room = 30. Check that there is room for you to make up a class.
- The only exception to this procedure involves a brand-new late-starting student. Where space is available, you can start a class part way through the session and pay \$6 per class until the session ends. Contact the Class Rep for the class you desire to register for to verify that there is space available. This form + a cheque dated from when the class is started is required.
- Submitting this form constitutes permission to appear in class photos which may be posted on the FLC Seniors/Qigong web page.

Give the form and the payment to the Class Representatives or the Qigong Club Coordinator.

If not possible, or if you are a new member, mail or hand deliver to:
